## Ari D. Gleckman, PhD, HSPP

Dr. Gleckman has been with MHG since March of 2004. He joined us full-time in early 2006 after leaving his position with Clarian Health. Dr. Gleckman and his wife Jennifer were married in 1992 and have been living in the Indianapolis area since 1996 with their three children.

Dr. Gleckman has had several professional interests during his tenure as a practicing psychologist. His professional passions include teaching, mentoring students, and providing psychological services to patients in medical/interdisciplinary treatment settings. Amongst his interests over the years have been Traumatic Brain Injury, Geriatrics, Somatization, Medical/Rehabilitation Psychology, Serious Mental Illness, and exploring the relationship between physical health and emotional well-being and the impact of this relationship on the larger health-care delivery system.

Dr. Gleckman has enjoyed publishing and presenting professional papers and assisting in marketing/public relations efforts whenever there is and identified need. Finally, Dr. Gleckman has been involved with the media during the past 5 years on several fronts. He has been interviewed by and provided information to The Indianapolis Star, Indianapolis Monthly, Indianapolis Woman, WIBC, and the local CBS, NBC, ABC and Fox News affiliates.
