Occupational Medicine

Preventive Medicine

Pain-Related Adult Medicine

Teresa Hall, OTR

Teresa was born in Ohio and became a Hoosier in her High School years. She graduated from Harrison High School located in Evansville Indiana and received her Occupational Therapy Degree from Indiana University in 1991. Teresa was married in 1996. She and her husband live in Indianapolis with their two four legged "children", Cash and Hope. Her favorite leisure activities are family time and reading.

Teresa began working with Chronic Pain Clients in 1996. These individuals have a special place in her heart, as she also has chronic pain. When asked what it is she likes most about working with this caseload, Teresa responds "seeing that little glimmer of hope return in their eyes as they begin to feel better".
